NEWS RELEASE

Michael G. Poma has joined Janas Associates as a Managing Director. Mike was the former majority owner of Poma Distributing Company, Inc., Poma Automated Fueling, Inc. and Inland Petroleum Equipment & Repair, Inc. He has more than 30-years experience in the Petroleum Distribution Industry. Mike worked closely with Janas Associates Chairman, Carter Freeman; President Paul Richey, and Managing Director Craig Miller in the sale of the Poma companies.

Mike is highly respected and well-known in the Petroleum Distribution Industry and will offer his considerable operational and financial skills and understanding of the industry as he consults with Janas Associates clients. Janas Associates has provided Investment Banking and Consulting services to the Petroleum Industry for more than a decade and knows that Mike's considerable knowledge will add significantly to the firm's expertise.
